

High Erucic Acid Rapeseed AB Program

- HEAR is a specialty program exclusive to Bunge and Nutrien Ag Solutions.
- Seed must be purchased at a Nutrien Ag Solutions retail location. The seed variety is HEAR Evolve.
- Full Act of God protection on uncertain production.
- Full production must be delivered to Bunge with delivery between September 2025 and August 2026.
- Free on farm pick up or freight assistance if self-hauled.
- Total contract values are subject to change based on the ICE Canola Futures.
- Isolation strip of 5 meters is required from adjacent canola crops to grow HEAR seed.

Flat Price Contract

- Full Act of God Coverage
- Guaranteed value for everything you produce
- Stress free!
- Contact Bunge for the most current pricings as market changes
